

REMARKS

The applicant respectfully disagrees with the Examiner's rejections set forth in the present office action. However, desiring to expedite the issuance of a patent for the present invention, the applicant has amended the claims accordingly. In particular, claims 1-9 and 15 have been canceled, without prejudice or disclaimer, leaving allowed claims 10-14 and 16 still pending. Also, some minor grammatical corrections have been made to claim 16. No remaining grounds for rejection or objection being given, the claims in their present form are asserted to be patentable over the prior art of record and in condition for allowance. Therefore, allowance of this case is earnestly solicited.

The Examiner is invited to contact the undersigned, if such communication would advance the prosecution of the present application. Lastly, please charge any additional fees (including extension of time fees) or credit overpayment to Deposit Account No. **502117 -- Motorola, Inc.**

Respectfully submitted,
A. Idnani
